Hello Jenny,

Would you please forward the attached letter to Tim and Steve as I do not have their respective email address. Also, please let them know that I am expecting an email from Hugh Scheffy who is the acting Trustee for Heritage Oaks East, acknowledging the request being made to the city in my attached letter and the approval of Premier to submit it on Heritage Oaks East behalf. I will forward his letter as well for distribution as soon as I receive it.

Thanks for your help,  
 Kevin
